**Facing pages 6 & 7**

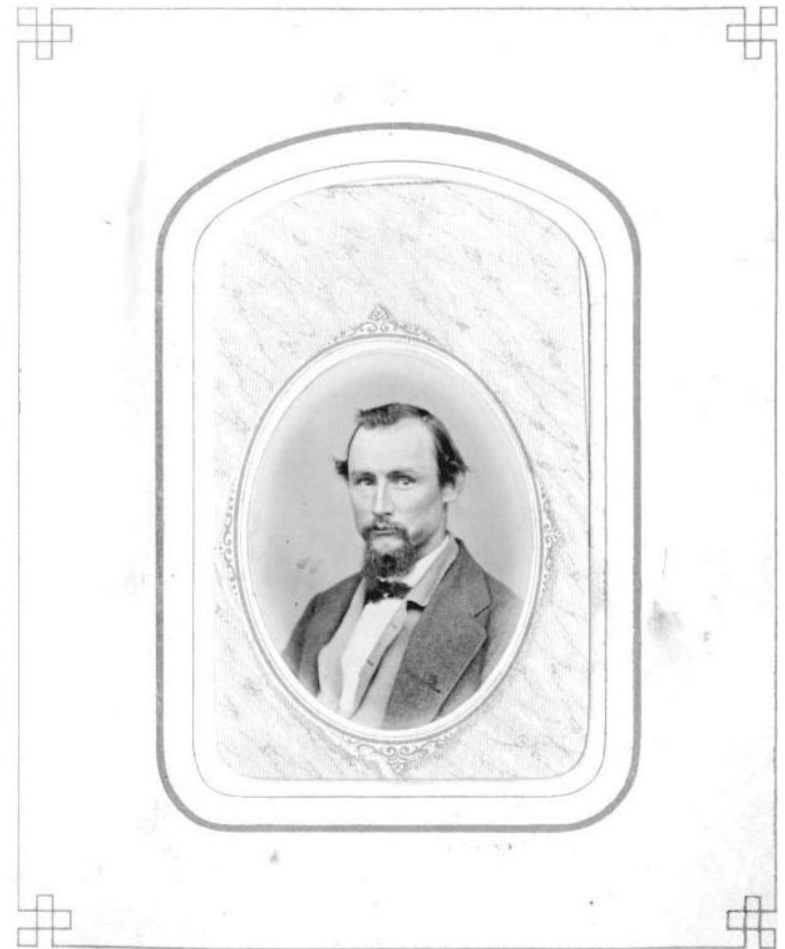

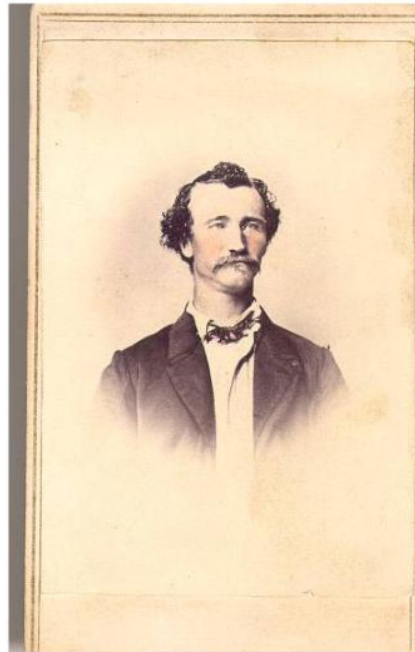

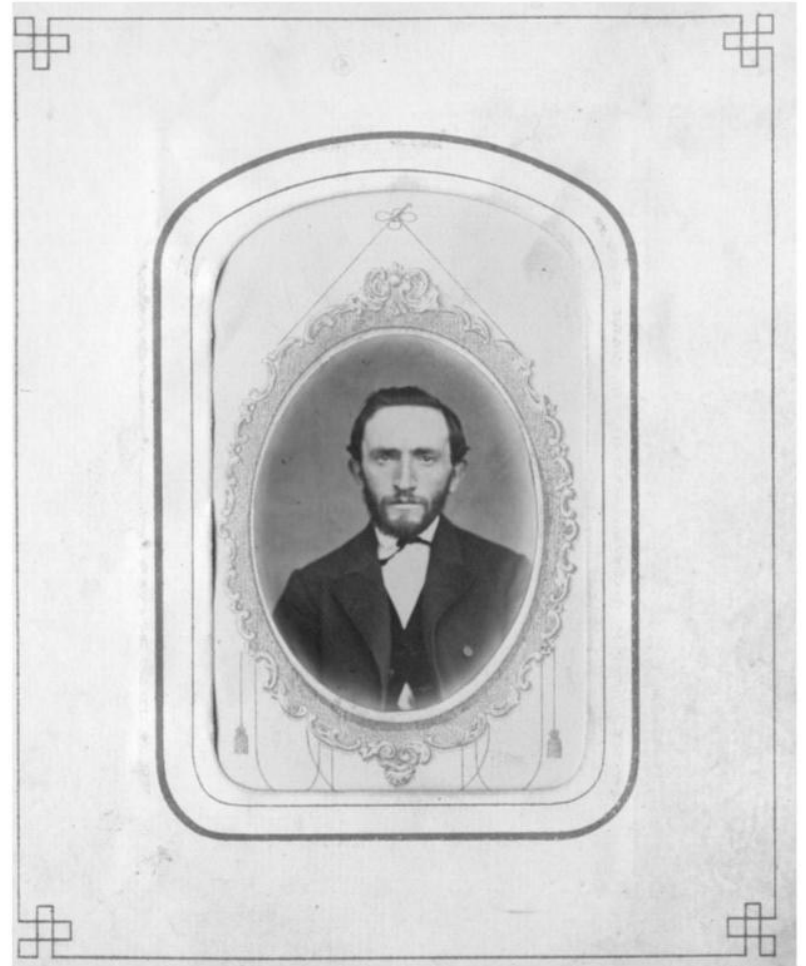

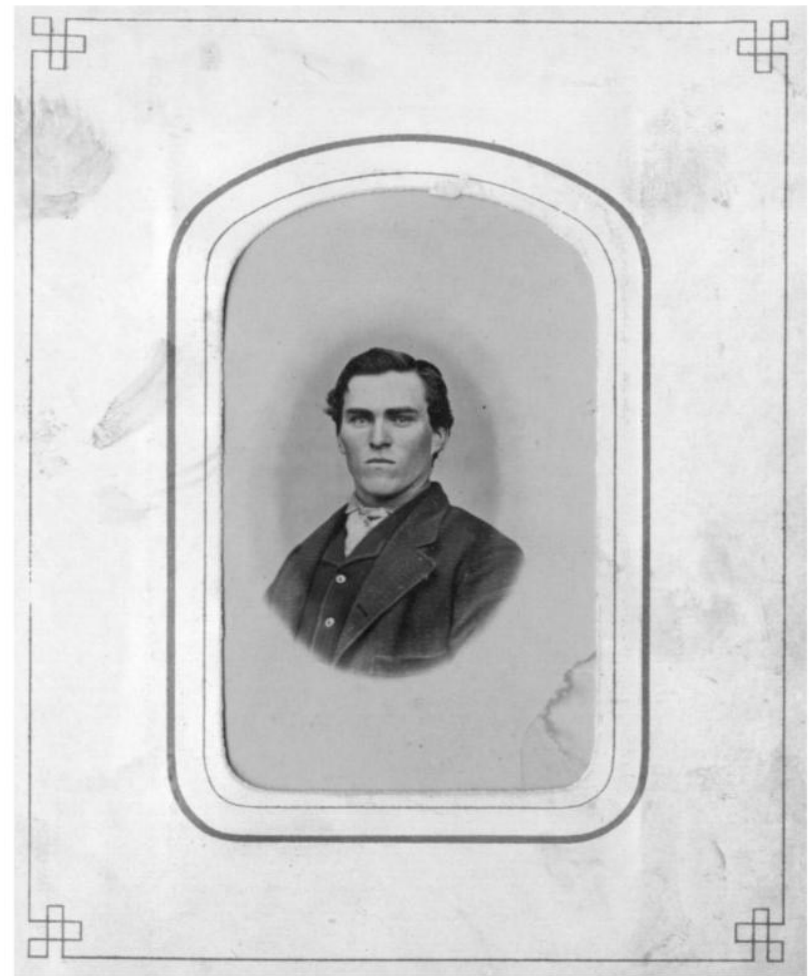

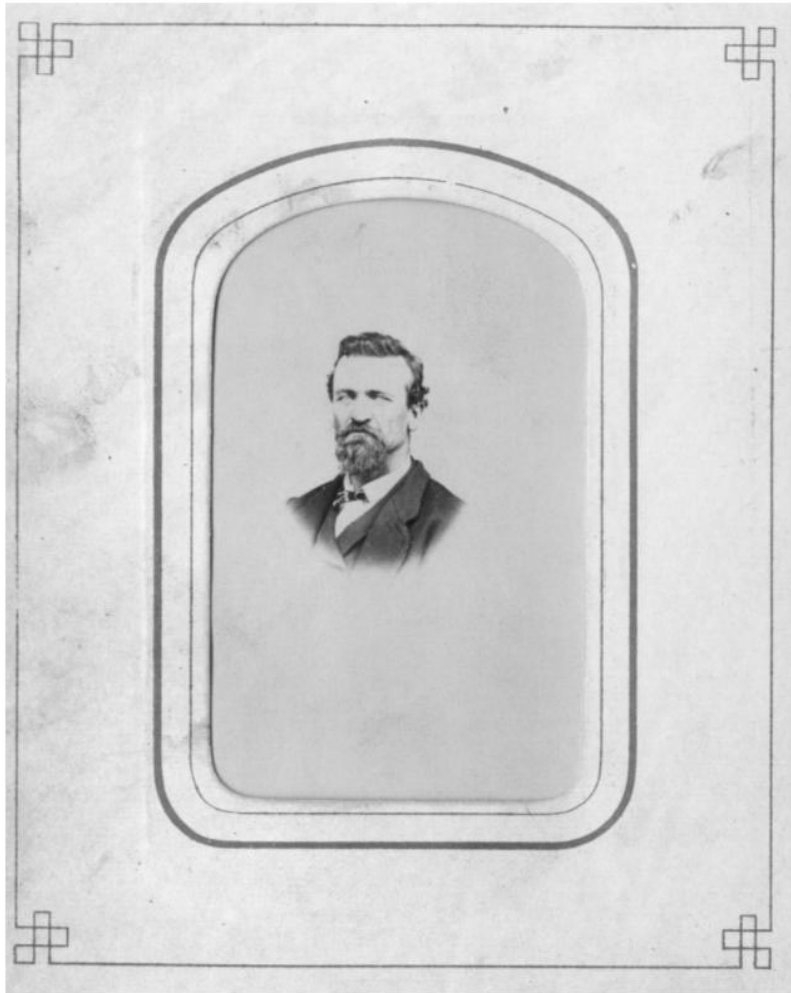

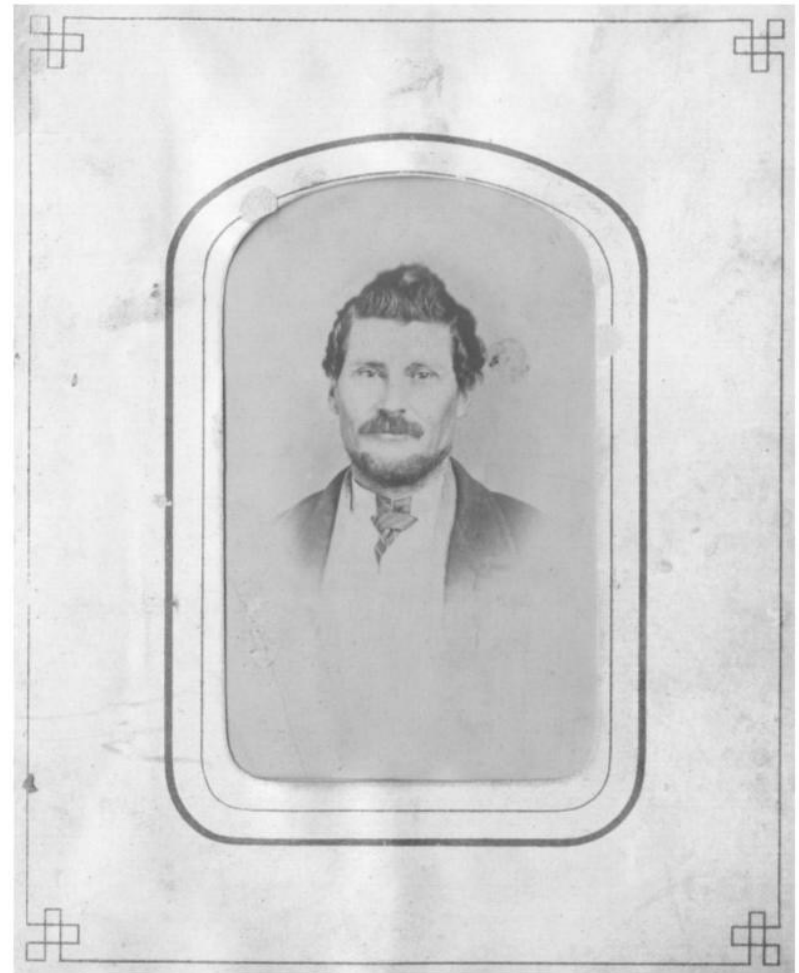

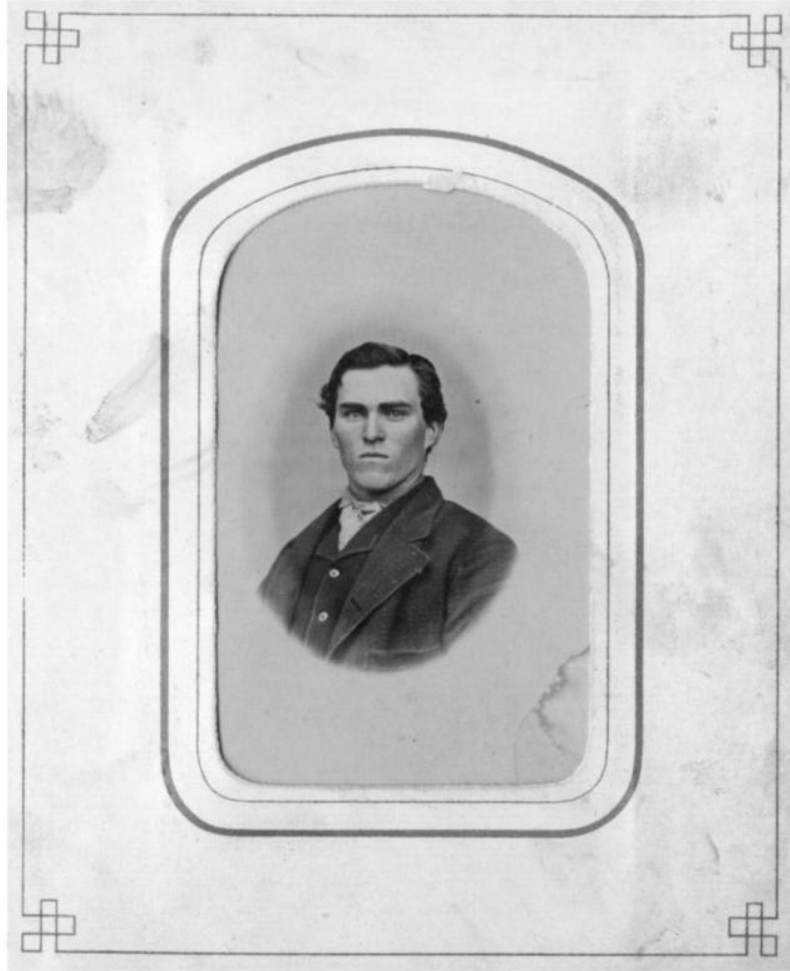

**Page 23a**  
**(Sandwiched between page 23 and 24)**

**Picture on right is Lottie Parks  
Probably Matt Reed, her first husband and father  
to Emma Reed and Mary (Mollie) Reed Palmer.  
This picture was between pages 29 and 30, thus  
leading me to believe this is her album.  
Most people in the album should be Parks or  
Richardsons. No Palmers that I could identify.**
